

Disclaimer

Adams Financial Concepts, LLC (AFC) is a registered investment advisor with the State of Washington Department of Financial Institutions. A copy of AFC's ADV Part 2 is available on request.

Adams Financial Concepts and its investment adviser representatives are in compliance with the current filing requirements imposed upon State of Washington DFI registered investment advisers. AFC's website is limited to the dissemination of general information pertaining to its advisory services, together with access to additional investment, economic, and other related information that it feels may be of interest to clients, prospects and others. Viewers of the website should not view the website as any form of solicitation to sell securities or securities related products or rendering of personalized investment advice for compensation. Any direct communication by AFC with a prospective client shall be conducted by a representative that is either registered or qualifies for an exemption from registration. A copy of AFC's current written disclosure statement detailing AFC's business operations, services, fees, investment strategies, is available from AFC upon written request. AFC does not make any representations or warranties as to the accuracy, timeliness, suitability, completeness, or relevance of any unaffiliated third party information whether included within the AFC website or linked to the website. All such information is provided for the convenience of viewers of the website and should be viewed as such.

Past performance may not be indicative of future results. Therefore no client or prospective client should assume future performance of the CPWM discretionary accounts or any specific investment or investment strategy will be profitable or equal to the corresponding previous performance levels. AFC does not offer legal or tax advice and no portion of the website content should be considered as legal or tax advice.

Opinions expressed on this website are subject to change without notice due to the nature of security markets.
